Dear Parents and Caregivers,

One of my biggest fears is being approached by reporters for my opinion on matters educational. This stems from having very definite views on many issues related to education and how these have been misrepresented in the past. So you can imagine my trepidation on receiving the request from Jordan Baker of the SMH that she would like to get an insight on Reddam and how we have maintained such a great HSC ranking over many years and how we had become one of the "schools of choice" in the eastern suburbs. She assured me there was no hidden agenda and that her readers were interested in knowing more about our school and how they go about getting their children into the school. It would be an article sharing a positive story. This reassured me to an extent but a few sleepless nights thinking of what I would or wouldn't say without sounding arrogant and alienating all our neighbouring schools led to my meeting Jordan last week. To be very honest, I am so grateful that she wanted to speak to some past and present students. They set the scene and are the best advertisement that we as a school have. They were magnificent and broke the ice. She was at the school for two and half hours and it was a pleasure to host her. I include a link to the article although I am sure that you have all seen this already.

On Monday evening Crimson Education gave a presentation to parents and students who have aspirations of studying in the USA or the UK. An interesting, very informative evening which outlined the differences in the application process to each. They offer a free consultation followed by assistance of varying degrees to help students through the process. Due to the partnership with Inspired, Reddam students will receive a 20% discount on the fees for these services. For more information, should you not have been able to attend, contact [claudia.jones@reddamhouse.com.au](mailto:claudia.jones@reddamhouse.com.au)

The Year 7 Parent Cocktail Party on Tuesday was enjoyed by all. Despite having to evacuate the building due to the fire alarm at 9:15pm, this did not dampen anyone's enthusiasm and conversations continued in Convent Lane. What a good evening and great to meet so many of the parents of students new to Reddam.

The Year8/Year9 Parent Cocktail Party was equally successful on Wednesday evening without the interruption of an evacuation. All teachers have reported that they enjoyed getting to meet parents in this setting early on in the year. The positivity amongst the parent body is infectious and reminds us all of the wonderful community that has been created at this school.

Information packs were distributed on the evening containing; extra curricula booklet, parent contact list, High School Guide and the RHAP awards criteria booklet. These have been sent home with your child should you not have been able to make the evening.

Year 7 students participated in an excursion to Centennial Parklands this week. This excursion involved a combined Geography program that includes geographical investigation with mapping.

Year 9 Geography classes were taught outdoors at Long Reef on Tuesday. Students learnt about the effects of recent weather events on our coastline and how the habitat has provided a source of food for thousands of years. Water quality was tested to understand how essential it is to the biodiversity and sustainability of Sydney's environment. Thanks to the Northern Beaches Council, teachers, and students for an informative and sunny day out.

Today the Year 12 Study Buddy Workshop was held. Students from the successful HSC class of 2019 returned to the school to pass on all the study tips that worked for them. These meetings are part of the success story of our HSC students. When the advice is from one's peers, it is received and implemented far more readily than if one of their teachers or a parent gives them the same advice.

Apart from the programme of extracurricular opportunities, both sport and cultural and academic tutorials that has been shared with parents and students, a number of lunchtime clubs are available for students to attend should they be interested. They include; Philosophy Club on a Monday in 4.8 , Creative Writing on a Tuesday in 4.6, Games Club on Wednesday in 3.2, on a Thursday, Dungeons and Dragons in 4.5, Theatre Sports in the Drama Studio, Elite Maths Club in 3.7 and Petrified Speakers in 4.1.

The message to the students is simple, get involved, get interested, enriched and extended in an area that you enjoy.

Student achievements this week include:

Kai Mashimo of the Class of 2019 has been awarded the prestigious Co-Op Scholarship for UNSW. This is a fantastic achievement for Kai.

After hours of training and trials over the past couple of months it is wonderful to see that so many of our students have progressed in their chosen sports to represent at Regional level. We are very proud of all of these students for what they have achieved to this stage and wish them every success at the various State Championships and representative seasons.

Water Polo - NSW Talent Identification Programme - Dasher Stewart, Jonah Zeiderman and Xavier Nicholas. Nikki Collins has just been selected in the Australian Team born 2004 and she is a 2005 born girl. This is outstanding!!

Netball - Sienna Rosmarin, Frederika Schneideman, Zoe Catzell, Saige Rosmarin and Willa Schneideman.

Basketball - Annika Landa, Oskar Rotherham, Max Klausen, Eden Zahra, Cody Dallimore, Atticus Day, Josh Dallimore, Tommy Malki, Daniel Kelly, Zoe Catzel, Lachlan Dallimore and Casey Fior.

Touch Football - Sam Rigby, Ruby Glazer, Flynn Botella, Tali Shapiro, Aaliyah Ibrahim, Zoe Kertesz, Willow Robinson, Savannah Charles, Harrison Walker and Sahra Ibrahim.

Ivy Hinckman(YR7) has been selected to be part of the Maroubra surf club team attending the SLSS Nippers State Competition at Blacksmiths Beach in Swansea.

Next week the annual Valentine's Dance is being held on Wednesday from 7:00pm - 9:00 pm and students are encouraged to attend this fun event which raises funds for the Reddam International Community Service Project.

Have a wonderful weekend and week ahead,

**Dave Pitcairn**

## ISD BASKETBALL

The ISD Basketball tournament was held on Wednesday at Bankstown Basketball Stadium. Reddam House fielded a team in each age group the 15s Girls and Boys and Open Girls and Boys.

With nearly a dozen different schools in attendance over 120 games were played on the day with a friendly, positive competitive spirit being a highlight.

Our Reddam House teams represented the school admirably and all team managed to go undefeated through the pool games.

In the finals our Open Boys team played against an Amity College team that used tough defence to force turnovers that they then converted into easy points at the other end with their speed. Rafferty Hodda hit a big 3 late in the game to get us close but unfortunately we ran out of time and lost by 1.

Our 15 Boys team used impressive team defence and some slick passing to build a good lead and won the final against a gritty Amity College team.

As excellent as our boys were, it was our girls teams that were dominant on the day. Our 15s Girls team only allowed 8 points across 5 games on the day and our open girls were equally impressive winning all their games very comfortably. Way to go girls!

## REDDAM STUDENTS ATTEND JNF CAMPAIGN- GREEN SUNDAY 2020

Reddam students volunteered for the JNF Green Sunday Telethon. The day involved high school students from a variety of schools, youth movements and people from the general community who participated in this exciting project contributing their time to the JNF. The JNF standing for Jewish National Fund, is a not for profit organisation which contributes to the development and funding of green spaces in Israel. This year the JNF was focusing on raising funds for the WWF's bushfire relief program and the development of an ecological park and water facility in the Negev Desert of Israel. The day started with a board meeting explaining the objectives for the day and where the resources obtained go towards. This is accompanied by a short video visually showing the positive impacts of the project. Afterwards, the volunteers were taken towards a call room with approximately 40 phones facility. Each person was given a list of people to call and try to raise money towards the project with donations provided by trees, with each tree costing \$10. Overall it was a very successful day, with a lot of fun as well as community work achieved. This was the ninth year that Reddam students participated and contributed to this very worthwhile and important humanitarian event. Well done Reddam students.

### ELITE CONCERT BAND OPEN FOR AUDITIONS

Are you a musician who has been playing a wind or brass instrument for a minimum of 4 years (or AMEB Grade 4 equivalent) and would like to be part of a band of like-minded people from yrs 7-11?

Reddam House Elite Concert Band are invited to perform in many high-profile events and concerts during the year and compete in reputable competitions such as the Sydney Eisteddfod. Rehearsals are Monday afternoons 3.45 - 5pm.

Interested students/parents should email

([courtaney.wood@reddamhouse.com.au](mailto:courtaney.wood@reddamhouse.com.au))

by end of week 4 to arrange an audition / trial date. Rest assured the process is informal and designed to give students audition experience in a supportive environment.

7pm - 9pm In the Woollahra Dance Studio

Reddam will now offer a Chinese in Context Preparation course for years 7-9.

Chinese in Context HSC course is one of four pathways of learning Mandarin in New South Wales, and caters for those with some cultural background in Chinese but aren't speaking it every day.

Currently in years 7-9, Reddam offers Chinese Continuers for those non-native speakers who have learned some Chinese in earlier years. In the senior years, Reddam also offers Chinese Mandarin and Literature, for those native speakers.

This after-school program will offer a terrific opportunity for those who are seeking for Chinese in Context pathway in the future and to study with peers. Also, given the nature of the curriculum and the exam, it is also a fantastic way to enhance cross-cultural study.

For more information about the course please visit:

## **REDDAM HOUSE HIGH-SCHOOL CHESS:**

Come challenge and hone your strategic minds and represent the school in the great game of Chess.

Playing for the school is a great way to build up and achieve your school colours and honours goals.

While all students are welcome to participate in the training and interhouse tournament, dedicated and motivated students are also invited to represent the school in a team of 4 in either the Junior, Intermediate or possibly Senior divisions of the East Sydney NSW Chess League.

As well as representing the school, meeting new people, developing useful skills and accruing points towards colours, students who play for Reddam House in term 2 will be written about and celebrated in the school newsletter.

**FREE CHESS TRAINING: Tuesday Afternoons starting Term 1 Week 3**  
**All Year**

**INTERSCHOOL COMPETITION: Friday Afternoons**

# REDDAM HOUSE FOOTBALL ENGLAND TOUR DECEMBER 2020!

**Reddam House Football is going back to the UK!! The company who ran the inaugural tour in 2016, Complete Sports Solutions, are putting together an itinerary for a similar trip in December 2020.**

**It is an exciting trip that starts on December 3<sup>rd</sup> in Manchester and sees the group return to Sydney from London on December 22<sup>nd</sup>. The cost of the trip will be approximately \$6000 which will include flights, accommodation, most meals, 2 games, net sessions, 3 training sessions with football academies, stadia tours and cultural tours. And, of course, attending some EPL games. Once the 2020/21 EPL draw becomes available we will have a better idea of which games we will be attending. The cost of the tickets will vary depending upon which games we attend.**

**They are not included in the cost of the tour at this stage.**

**All I need right now is an email [brad.palmer@reddamhouse.com.au](mailto:brad.palmer@reddamhouse.com.au) to let me know if your child would like to attend. The tour is open to boys and girls in the high school.**

# Art in Paradise 2020!

## Hamilton Island Art Retreat

3<sup>rd</sup> April – 7<sup>th</sup> April 2020

Limited Places Available.

Hamilton Island Art Retreat is an exclusive Art Retreat which is open to Elective Art students or students who are passionate about art who may not currently study art as an elective subject. Hamilton Island is one of the most magnificent destinations in Australia and Reddam House students are fortunate to be able to have the opportunity to work with the artist in residence and attend a private art lesson in the studio space on the island. The students will be involved in a range of workshops daily at different vantage points around the island such as drawing, watercolour, environmental sculptural and photography. This is an unparalleled experience to be able to create artworks in such a tropical and lush environment. Students will receive their own extensive art kit, full of materials for the trip. Students will stay in beautiful accommodation with free access to the beach and water sports. **This is a must-do experience for all artists!**

Watch this YouTube link to see Reddam students enjoying this amazing artistic experience.

## Understanding ADHD (Attention Deficit Hyperactivity Disorder)

### A parent seminar and Q & A with Dr Josephine Anderson

Please join us for an evening exploring ADHD. The myths, facts, and controversies, and how best to support your child. Topics explored will include:

- ADHD – a psychological or biological condition?
- Impacts on mood and behaviour, and how this differs with age
- Current treatment and support available
- ADHD and other Mental Health conditions. Is it the chicken or the egg?

**Guest Speaker:** Dr Josephine Anderson is a Consultant Child and Adolescent Psychiatrist currently working at the Black Dog Institute. She is also Clinical Director with Royal FarWest. She has extensive experience in working with children and adolescents diagnosed with ADHD as well as other mental health conditions. She has in depth knowledge around the perennial issues surrounding ADHD, and has a keen interest in supporting families to manage ADHD most effectively.
